

WARRANTY HANDTOOLS

Würth hand tools are warranted on economic life.

This warranty applies only to manufacturing and material defects.

The date on the original invoice is decisive.

In the case of manufacturing and material defects, free repair or, if repair is not possible, free replacement of the product takes place.

The warranty excludes:

- a defect caused by wear;
- a defect that is due to non-compliance with the instructions for use;
- a defect by misuse;
- a defect by abnormal environmental conditions;
- a defect by fall or bump;
- a defect by negligence, poor maintenance;
- a defect by adjustments or changes.

ZEBRA WARRANTY

If you are dissatisfied with a Zebra product, we take it back immediately.

Should the product not meet your requirements, we will exchange the product or we will give your money back.

The rules for this are:

- exchange within 3 months after purchase and 100% warranty on technical defects.
- the date on the original invoice is decisive.

If the translation is not entirely consistent with our Dutch version, the Dutch version is ultimately valid.
