

# WARRANTY

# MACHINES AND BATTERIES

Würth Master machines are warranted for 3 years.

Würth Master batteries are warranted for 1 year.

This warranty applies only to manufacturing and material defects.

The date on the original invoice is decisive.

In the case of manufacturing and material defects within the warranty period free repair or, if repair is not possible, free replacement of the machine takes place.

## **The warranty excludes:**

- a defect caused by wear;
- a defect that is due to non-compliance with the instructions for use;
- a defect by misuse;
- a defect by abnormal environmental conditions;
- a defect by fall or bump;
- a defect by negligence, poor maintenance;
- wear and tear e.g. bearings, seals, pistons, brushes etc.
- a machine that is disassembled or modified by anyone other than a service station recognized by Würth.

If the translation is not entirely consistent with our Dutch version, the Dutch version is ultimately valid.
